

*Congratulations! You have applied for and have been accepted to the course indicated below. The final step to the process is filling out this form to indicate that, after being accepted, you now want to formally request the class. You must do this by Friday, May 7<sup>th</sup>. (Note: this form is not for applying to a class. To apply to a class, use the form titled, "Honors and AP Application Form" found on the high school homepage – [www.asfg.mx/highschool](http://www.asfg.mx/highschool)).*

*Please note that once you fill out this form, we will formally request the class for you in our scheduling program. Due to period conflicts however, sometimes students don't get all the courses they request. While this is infrequent, affecting less than 3% of all requests, it is still important to be aware of the possibility. We make every effort to notify students early enough so that they can avoid doing the summer assignments of classes they requested but were not scheduled into.*
