

Summer Assignment for Incoming 6th Grade Students: 2023 - 2024

Teacher: Jennifer Shanmugam

Email: jennifer.shanmugam@asfg.edu.mx

Welcome to sixth grade math; I look forward to teaching you! If you are a new 6th grade student and do not have an IXL username and password, please send an email with your **full name and grade level** to techcenter@asfg.edu.mx. They will assign you one as soon as possible.

1. Log in to www.ixl.com, and enter your username and password
2. Click on **Sixth** Grade
3. Please practice the following 10 skills below up to a score of 80 or for 15 minutes each, whichever comes first for you. Do not use a calculator for any of the skills. If you need support, please either click on “learn with an example” or “watch a tutorial” which both show up on the first question of the IXL skill. There will be a quiz within the first two weeks of school over this assignment.
4. HAVE A WONDERFUL SUMMER! I can't wait to meet you in August!

IXL Assignment:

B1 Multiply whole numbers

C1 Divisibility rules

C5 Divide whole numbers- 2 digit divisors

E1 Add, subtract, multiply or divide two whole numbers

GG1 Perimeter

GG2 Area and rectangles of squares

GG3 Understanding area of a parallelogram

GG4 Area of parallelograms

HH1 Volume of cubes and rectangular prisms

HH2 Volume of cubes and rectangular prisms with fractional side lengths

I will check to see if you did the assignment between the dates of June 25 - August 17, 2023. Thank you and enjoy your summer!
