

DETERMINATION SCHOLARSHIP ANNOUNCEMENT 2024-2025

Aimed at students who are in the third year of secondary school in the 2023-2024 school year

Guadalajara, Jalisco, September 1st, 2023.

The American School Foundation of Guadalajara, A.C, always focused on the academic development and balanced growth of its students, continues its commitment to extend opportunities that promote an exceptional educational experience for all students.

In conjunction with the Secretary of Education of the State of Jalisco (SE), through its Recrea STEAM program, ASFG invites the most promising students from **public and private schools** in Guadalajara's metropolitan area (San Pedro Tlaquepaque, Tonalá, Zapopan, Tlajomulco de Zúñiga and Guadalajara), who wish to study at a bilingual and bicultural high school with a high academic level, and whose financial resources require a scholarship to consider this educational option.

The Determination Scholarship allows ASFG to fulfill part of its commitment to young people from Guadalajara and enriches our community with the academic contribution of the extraordinary young people who join the institution.

Therefore, we seek to receive two outstanding students from the Guadalajara metropolitan area who meet the following requirements:

- Demonstrate need for full financial assistance.
- Have academic excellence.
